Denver, CO. 80207
303-399-7500

www.renaissancedenver.com

Objectives

Participants will have the opportunity to:

1. Identify newly FDA approved drugs in the treatment of cancer and related symptoms
2. Discover benefits of Complementary and Alternative Medicine therapies used to help manage fatigue, stress and the effects of menopause.
3. Learn methods of finding balance and caring for self while providing care to the oncology patient population.

Continuing Education Credits

Application has been made for 7.0 contact hours to Denver Health Medical Center. DHMC is an approved provider of continuing education by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
